

## INTRODUCTION

This is an Author, Title and Subject Index, with subjects indicated in **Bold**. There are also extensive *see* and *see also* references in this index.

*see* There is nothing under this subject heading, but the user is referred to the subject headings listed after it for information.

**Alps *see* Japanese Alps**

*see also* There is something under this subject heading. You might look under the headings listed after it for more information

**Andes *see also* Cordillera Blanca**

A personal name in regular type (Becker, Terry) indicates that the person is the author of the article(s) following.

A personal name in bold type (**Becker, Terry**) indicates the person is the subject of the article(s) following.

Numerals indicate year and page (i.e., 1995:24 refers to page 24 of the 1995 Annual). Only the first page number of an article is given.

Other multi-year indexes have appeared in the following issues of *Mazama*: 1929, 1939, 1950, 1961, 1971, 1976, 1986, 1994. The 100 Year Index for 1894-1993 is located in the Mazama Library with the bound volumes of *Mazama*.

I would like to thank Vera Dafoe for the many hours she spent reviewing this work and for her many helpful suggestions.

Any corrections please send to [robertlockerby@msn.com](mailto:robertlockerby@msn.com)
